COMMODORE REPORT Mark Bauder, Commodore

Greetings Shipmates,

My hat is off to John Cole - what a great job he did on the Great Vallejo Race! The many volunteers who stepped up made this year a success - I'll let John try and list all of them. We'll need you

to step up next year (starting now) to help Bob Lockhart with his turn in the barrel. I think we need to have a Great Vallejo Race Committee to make the job of running the race easier, so think about volunteering for a term. The Beer Can Racing is in full swing and we're having a blast - Kudos

to Dave Nadolne and the Race Committee for keeping us sailing smoothly! This time of year brings a lot of activity around the club (i.e. learn to sail, cruise ins) and is a great time to bring your friends down to see what we're all about. Let's do our best to increase membership, as you know more members generate more money and allow us to do the improvements needed to keep us the jewel of the North Bay!

See you on the water!

Mark Bauder, Commodore

VOICE OF THE VICE John Cole, Vice Commodore

Thank you for supporting the Great Vallejo Race! Wow, the Great Vallejo Race 2015 is over. I owe many thanks to the members who stepped up for the Vallejo Yacht Club. SOMRA for serving breakfast; Bill Fowler of McDermott Costa; Dominic of Marchal Sailmaker; Kerby Long of Napa Valley Marine;

Richard of Vallejo Boat Works; our Commodore Mark Bauder of Wheeler-Sonoma Printers; Laura from YRA; Mike of Latitude 38; Michael Brown and Ken Miller of Pirates Lair; Tom Lueck from the Stockton Sailing Club representing the Delta Ditch Run; MIT Academy students for serving dinner; Mike Zwiebach from Latitude 36; Moschetti Coffee for the tasty free breakfast coffee.

We, the Vallejo Yacht Club, are gratified and honored to stage and host once again, the Great Vallejo Race. For 116 years we have greeted, fed and entertained racers from around the Bay area. This year we greeted happy racers. The downwind brought the race quickly to our Club where we had high drama and excitement as these racing vessels entered our small harbor to raft up. The theme for this year

was "Race to the Party" and our guests began the festivities as boaters began celebrating aboard. The party moved ashore to our great tent for a spaghetti feed. The partygoers moved into the clubhouse for serious partying with the music by the Raymond Victor Band performing dance and rocking blues. Carlos Reyes sat in and jammed for an hour and a half.

Sunday morning Vallejo Yacht Club opened our doors at 5:30 am to prepare a hearty breakfast. About 9:30 racers began returning to their boats for the mass exodus of the harbor. They jockeyed for position for the return race.

Again, many thanks to the volunteer members of the Vallejo Yacht Club. A special thanks to Bob and Cheryl Lockhart for many hours in the galley preparing the dinner and numerous other chores before, during and after the race. Great practice for next year! Thanks to the Sausalito Yacht Club for their Committee Boat.

Don't forget the Delta Ditch Run, June 6th. Remember the Pink Sail on July 15; for information contact Martha Blanchfield.

— *John Cole, Vice Commodore*

REAR REPORT Bob Lockhart, Rear Commodore

Another Great Vallejo Race and party was run May 2 & 3 and everyone (except, maybe, the volunteers) had a great time. My congratulations go to Vice Commodore John Cole and all the volunteers for staging a successful event. The GVR requires months of

planning, making decisions, handling problems, and many hours of work by all involved. I noticed that John's stress

level diminished rather noticeably after all the boats left Sunday; however, the Rear Commodore's level increased in anticipation of next year. So initial planning for the next GVR is currently underway. Some of you have already volunteered ideas and/or help with, i.e. sponsorship. Please contact me if you wish to participate in planning for next year.

— *Bob Lockhart, Rear Commodore*

VYC Private Parties

Don't we all love having and attending parties??? It's been about two years when I ran into Karen Paedon (wife of P/C LF Bob Paedon) and I mentioned to her, if they had any stories of history, I will write it. Her reply to me was, no I don't, just that we were married here at the clubhouse and our reception was also held here. This prompted me to go back in VYC The First 100 Years book to research the private parties of the past. This article will be written in five categories, weddings, anniversaries, birthdays, retirements, and other celebrations.

Weddings

Joe and Pat Schlosser were married at VYC on August 22, 1970; Fred Marble and June Hayden were married on March 19, 1971. Many members were present at their wedding reception at VYC after the ceremony. Dr. Don McCabe and Jean Hardy were married in the Crow's Nest at the clubhouse and left on their boat after the ceremony for a honeymoon; May 1977 P/C LF Bob and Karen Paedon were married at VYC with the reception also being here at the clubhouse; Ray and Lorraine LaVoie were married September 1986. The ship's bell behind the bar was a wedding present, and they donated it to the Club; same year Bob and Rosemary Hull were married and hosted a wedding celebration at the clubhouse on November 23rd; Ken Hall and Gail Lalley were married aboard Lady Hawk at the VYC guest dock on November 11, 1995. Photo on page 434 and the late P/C LF Bill and Anita Bird family have made weddings a family affair. Carolyn (Anita's sister) and Gene Crepps were married November 1982 with reception after the ceremony at the VYC clubhouse. Their son John and Sheila Bird were married November 1987 but only having their reception at VYC. The most recent wedding held at VYC was that of their grandson. Johnny Bird and Jessica Larke were married on April 6, 2013. This was the most elegant and elaborate wedding I've attended at VYC. The clubhouse was turned into a wonderland and held over 150 guests. This truly was a beautiful wedding. Should you need to know the wedding planner's name, let me know.

There were other weddings held at VYC but I thought with respect I should leave them out, as their unions of marriage failed.

Anniversaries

George and Anna Van Dolson celebrated their 25th Wedding Anniversary at VYC on January 13, 1971. Also, in 1996 George and Anna celebrated their 50th Anniversary; Red and Frankie Fox celebrated their 52nd wedding anniversary in 1978 with a party at the Club; Past Commodore Chet Garrett and Anita celebrated their 50th wedding anniversary on June 15, 1980; and Orrin and Gen French celebrated their 50th anniversary with a party at the Club on July 28, 1991.

Birthdays

The first birthday listed in our yearbook was the 80th birthday celebration of Mac McCaghren at the Club on May 7, 1971; Port Captain Arthur Campbell was a surprise guest of honor at the birthday party following the membership meeting on February 24, 1929; another party for Art was, "Call it what you will - A. Campbell Retirement/Birthday Party II Potluck - ACK Birthday Strikes Again Potluck - Art's Potluck revisited - it'll take place at 6:30 p.m. Thursday, February 24, 1983, preceding the General Membership Meeting; a champagne fountain, buffet and disco music by Precision Sound helped celebrate Helen Warren's 75th birthday at the clubhouse on October 9, 1983; Helen was surprised by a potluck luncheon to celebrate her 80th birthday in 1988; Carmen Batchelor's 70th birthday was celebrated at the Club on August 1986; Toni Borges celebrated her 50th birthday with a huge party at the Club in March 1995; also celebrating her 60th birthday in 2000 and her 69th birthday dinner in March 2014 here at VYC; Margot MacKerrow celebrated her 50th birthday at VYC in March 1998; Joe Schlosser's 85th birthday was celebrated with a surprise potluck on March 14. Toni Borges coordinated the event, and P/C Vern Coburn arranged to have a Dave Beronio sketch of Joe matted and signed by many of the members. The picture was later framed and is hanging in the bar. Photo on page 449; and of course we had VYC celebrations,

continued next page

1975 photo on page 276 with Diamond Jubilee, our 90th birthday celebration and the 100th birthday celebration in April 2000.

Retirements

Art Campbell retired from Mare Island. His retirement was celebrated at a surprise potluck in February 1982. At Happy Hour the following night he bought the bar drinks all evening. A Just For Fun Party was held on December 16 to celebrate (belatedly) Martin Gabrielson's retirement from the Navy and his successful passing of the California State Bar exam. Mike Pretzer celebrated his retirement after 32 years of law enforcement with a party at the clubhouse on December 1994 and Ken Hall's retirement from United Airlines was celebrated with a party at the VYC in August 1997.

Other Celebrations

P/C Bill and Thelma Batchelor held an Open Boat party on July 18, 1982 for their Westsail 32 Kanska; Roger Clark had a boat warming for his Morgan 44 on October 9, 1988 and a Bon Voyage party was held for Bill and Carolyn Daly on August 9, 1992 who were moving to Florida.

The motivation of this article was to show all the various parties held here at VYC and to let you know your Club is open for renting. Contact Club Manager Matthew for details and cost. My class of 1963 Vallejo / Hogan High School will be celebrating our personal 70th birthdays here at VYC on August 8th. All are invited and welcome to join us.

FLEET CAPTAIN REPORT

The 2015-2016 race season has begun! Have you ever wanted to race? Ever wanted to join in the fun and see what it's all about? Our Wednesday night races are the place to be! Come on down and join us. Most skippers are frequently looking for permanent or occasional "fill-in" crew. Some sailing and/or racing experience is desirable but a strong desire to learn, a little natural aptitude, and a 6-pack can make up for any lack of experience. It beats working!

I want to start with an acknowledgement to Jim Wallis. As you race skippers may remember, I sent an email to all of you stating we were running very low on shotgun shells and asking for help in finding some. Jim went above and beyond and instead of giving advice, he purchased and donated shells to the Club. We now have enough for a few years of racing!

Another big thank you goes to Bill Schweitzer, who has built 3 new marks for us. The new marks will be used to replace the missing CM1, Oil Wharf, and Glen Cove marks. If you have some free time, I know Bill could use some help getting them set. Once the marks are deployed, our course sheets will be updated to include these marks. This should give us some variety in the races we run on Wednesday nights, as well as the North Bay Series on Saturdays. Copies of new course sheets, once available, will be posted to our website and a limited quantity will be available on our bulletin board.

As many of you already know, we've made a big change to the way we're scoring races this season. The introduction of Jibeset.net adds an internet based service that makes scoring easier and more consistent. Results are created in minutes now, usually in-hand before all the racers get to the clubhouse, and are posted online immediately. No more waiting! Once the results are announced, you can go online immediately and take a look. The address to the results page is <https://www.jibeset.net/ourregatta.php?A00=yes&A11=yes&CLUB=VYC>

The first series, the Ochs family perpetual, is just about over. This will be the end of our warm-ups, and the season has officially started with the race on May 6. Standings so far:

SAFETY REPORT

We need a person dedicated to the safety of our Club. Please let me know if you are interested in volunteering for this important role. As we search for another Safety Officer, a person to write this column, survey the Club for hazards and keep us safe, let's see how many ways the old Burma Shave commercial applies to boating.

For those who never saw any of the Burma Shave signs, here is a quick lesson in our history of the 1930's and '40's. Before there were interstates, highways and freeways, everyone drove the old 2 lane roads. Burma Shave signs would be posted all over the countryside in farmers' fields. They were small red signs with white letters. Five signs, about 100 feet apart, each contain 1 line of a 4

line couplet..... And the obligatory 5th sign advertising Burma Shave, a popular shaving cream. Replace car with boat and you'll see the connection to boating safety.

Don't stick your elbow out so far, it may go home in another car
 Drove too long, driver snoozing, what happened next is not amusing
 Brother speeder let's rehearse, all together, good morning, nurse
 The midnight ride of Paul for beer, led to a warmer hemisphere
 At intersections look each way, a harp sounds nice but it's hard to play
 Both hands on the wheel, eyes on the road, that's the skillful driver's code
 The one who drives when he's been drinking, depends on you to do his thinking

Have Fun, Be Safe, Responsible and Respectful.

— John Cole, Safety Manager

House Committee Report *"Do what you can, when you can, if you can."* —Joe Balocca

A million thanks to Vice Commodore John Cole for his huge efforts in organizing the Great Vallejo Race. And thanks to all who helped - the names are too numerous to list. But needless to say, VYC volunteer members got the job done! The clubhouse was back to normal within twelve hours after the racers departed.

During June, the Passport Owners Association, the Napa YC, and Sausalito YC will be cruising in; check out the calendar and make plans to join our guests for dinner, drinks, and extend a warm welcome from the VYC.

Now for the dirty stuff--literally. All members are asked to make sure you do not rinse any food pieces/particles into the galley sinks. All dinnerware is to be scraped clean into the garbage. Our plumbing can't handle the huge volume of "stuff" that is shoved into our pipes. With the weather getting warmer, it's great to enjoy a cold one on the deck but be sure to return all barware to the bar. All glasses should be brushed and rinsed in the sinks before being placed into the sanitizers.

Lastly, if you're cruising out for a couple days, make sure to file a float plan and inform the office that your vehicle will be in the lot. All members are reminded to display the VYC sticker on the rear bumper/window of your car. If you have guests who will be parking, it is especially important that the office be given a description of their vehicle and license plate number.

The Club is open. Be of good cheer!

—Ken Leslie, House Chairman

PICYA REPORT

The PICYA Opening Day on the Bay Awards dinner was held at the Oyster Point Yacht Club on Monday, May 4th. VYC PICYA Delegate Maggie Sabovich and husband, Roger Karlsrud, attended, earning the VYC four more Club of the Year (COTY) points.

The four VYC boats who officially participated in the Opening Day on the Bay decorated boat parade were Ken Hall's sailboat, "Lady Hawk", Capt. Bill Thomas's powerboat, "Mi Casita", Staff Comm. John Van Vessem's sailboat "Sojourn", and Noble Brown's sailboat "Mai Pen Rai". VYC PICYA Delegate Maggie Sabovich and husband, Roger Karlsrud, represented the VYC on the Committee Boat, which earned the VYC 10 COTY points for their participation.

The VYC donated \$550 worth of merchandise to PICYA for the Opening Day Boat Parade's winning skipper bags, for which the VYC received 10 Club of the Year points and an engraved plaque at the Awards Dinner. The donations included 17 white "Learn to Sail" tee shirts and blue GVR "Rafting Up" tee shirts worth \$340, plus 16 GVR "San Francisco" tote bags worth \$80. VYC delegate Sabovich donated a case of cabernet worth \$120, and the VYC also donated several \$10 certificates for drinks at the VYC bar, and free guest dock certificates, for a total of \$550 in donations from the VYC.

The next PICYA Delegate's dinner meeting is at the Half Moon Bay Yacht Club on Monday, June 1st, 2015.

—Maggie Sabovich, PICYA Delegate

NEW/PROSPECTIVE MEMBERS

Andy, Carollee, Gavin, and Caity Tittle

The Tittle family lives in Napa and has enjoyed boating for decades. We have been jet skiing and power boating since 1991. Friends introduced us to sailing about 10 years ago and the sport has been an increasing interest for the four of us. We have not felt like we could ever go enough! We enjoyed learning from the warm, welcoming, and patient members of VYC at a beginning sailing class last summer. Late summer should see us out on the Picos in intermediate sailing class. We have aspirations of owning a sail boat soon and some of us are fortunate enough to enjoy the Wednesday night races. We are looking forward to joining. Getting to know the members and participating in the Club will bring much to our family.

Jerry Puglia

My love for boating and the water started when I was a little boy. I grew up on the East Coast on Long Island Sound off Connecticut. My Dad was a member of the West Haven Yacht Club so I spent many hours there. I built my first racing boat when I was a teenager and since then I've had four more boats in my life.

I'm a retired cabinetmaker so making a boat is something that was fun and a great project in the shop. I have a 9' Hydro that I am building right now. At this point in my life I'm in between boats. This is another great reason to be in the VYC being surrounded by boats and boat people.

I am the current Vice Commodore of the Glen Cove Yacht Club and Captain of the Vallejo Senior Center Bocce team for the last 6 years. I have lived in Vallejo for six years and I am looking forward to being an active member of the VYC.

NEW! Cruiser Challenge

One night only—a special
Leisure Class fleet start at 6:10pm.
Email fleetcaptainsail@vyc.org to sign-up.
We need a minimum three boats to run this.

Things are getting rosy again. It's time for the Pink Sail and Pink Party. What's pink on blue? You and crew gliding over the water to raise funds for cancer research—real men (and women) do wear pink.

This year we're adding a Cruiser Challenge with its own fleet start! We encourage every member to race, cruise or host a sunset glide with family and friends that afternoon. One last idea—simply plant on the decks or docks with a bottle 'o rosé. We're making this a great party for everyone.

More Pals, More Pink with a Cruiser Challenge

Cruisers, rowers, paddlers, families, guests—don the pink and head to our midweek party. You know how gorgeous VYC sunsets can be. Well, Race Director Dave Nadolne has created a special Cruiser Class to get you on the water that night. He says, "I'm sure you all know the old saying, 'Two sailboats heading in the same direction is a race.'" For the Pink Sail only we've organized a special start and course just for you! We'll give you an official start and an official finish. Would you like to join in the fun and try your hand at racing? Our regular beer can action A and B fleets starts at 6:00pm; C fleet starts at 6:05 pm; the special cruisers challenge will start at 6:10pm." Course for the Cruiser Challenge will depend on tide and wind, but Dave says you're guaranteed a good time. Be sure to email him to get on the list! fleetcaptainsail@vyc.org

History of the Pink Sail

The Pink Sail started through a little good natured ribbing boat-to-boat to prove that real men do wear pink. We decided to pass the can to collect money for cancer research. The idea grew, the sea of pink blossomed. The first year we raised a little over \$100. The next year it was above \$300, and for 2014 we hit \$1000.
